Mayor Horan reviewed that the board needs to decided to change the open container law to apply to all public properties and possible allow it by permit only.

It was still agreed that the Planning Board should review the local law and reflect on how to consider the residents that don’t cause any problems but like to have an adult beverage in the evening and then the group of people during the day that do cause problems

Tom Angelone stated that alcohol by permit is an excellent idea and only way to go but if the board waits for the Planning Board this could take several weeks. The Mayor responded that they don’t anticipate anything changing for this year.
